## **Country Notes — Tanzania**

### **Data Source**

Source agency or dataset provider.

### **Dataset Version**

Year / release date.

### **Coverage**

National health facility registry.

### **Known Limitations**

- Missing coordinates for some facilities
- Inconsistent ownership classification
- Facility codes not unique in some regions

### **Transformation Notes**

- Ownership categories harmonized
- Coordinates validated against national boundary
- Some facilities outside boundary flagged

### **Special Handling**

Any country-specific cleaning rules.

### **Contact / Reference**
